

**REMARKS**

Applicants thank the Examiner for his timely and thorough search of the art and Office Action.

Applicants, by this Amendment, have amended the Claims to overcome all deficiencies noted in the Examiner's Official Action. After entry of this Amendment Claims 1 – 10 and 13 remain pending in the Application.

**In the Office Action, the Examiner stated that in Claim 1, at line 1, and in Claim 11, at line 2, the term “within” should be amended to read –in--.**

Claims 1-10 have been amended as suggested by the Examiner. Applicants have cancelled Claim 11.

Further, Applicants have amended the Title of the Application to conform with the amendment made to Claim 1.

---

**The Examiner continued in the Office Action, rejecting Claim 11 under 35 U.S.C. 102(e) as being anticipated by France (U.S. Patent 5,990,756).**

Applicants have cancelled Claim 11.

**The Examiner allowed Claims 1 – 10 and 13.**

Since Applicants have fully and completely responded to the Official Action, this Application is now in order for early action and such early action is respectfully requested. If the Examiner would deem
